

March 25, 1983

LB 412, 536

SENATOR WARNER: No, well I said I hated to but that didn't mean I couldn't overcome the hate.

SPEAKER NICHOL: Oh, excuse me, I misunderstood.

SENATOR WARNER: So, yes, I do. No, I renew my position. I hate to do it.

SPEAKER NICHOL: Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: LB 412 advances. We will go to LB 536.

CLERK: Mr. President, 536 offered by the Ag and Environment Committee. (Read title.) The bill was read on January 19, referred to the Ag and Environment Committee for hearing. The bill was advanced to General File, Mr. President. There are Ag Committee amendments pending.

SPEAKER NICHOL: Senator Haberman, on the amendments.

SENATOR HABERMAN: Mr. President and members of the Legislature, the committee amendment merely includes the word "tatoo" within the definition of mark for the purpose of the Nebraska brand inspection laws. The amendment also includes a definition of tatoos. When the bill was drawn they forgot to put tatoos in there. Tatoos have been used more and more on the inside of the lip and in the ear and other places on an animal and I ask for your adoption of the committee amendment.

SPEAKER NICHOL: Is that all there is to the amendments?

SENATOR HABERMAN: That is all there is to it, sir.

SPEAKER NICHOL: Senator Vickers, did you wish to speak to the amendment?

SENATOR VICKERS: No.

SPEAKER NICHOL: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. The committee amendments.

SENATOR HABERMAN: Mr. President, I'm not going to say anything about a Call of the House, I am just going to say, please, can I have one more vote.

SPEAKER NICHOL: Record, Mr. Clerk.
